

Credit Management Solutions

Truth | Tenacity | Teamwork

Truth

We uncover the key issues through rigorous analysis, drawing on our experience to deliver credit management solutions with honesty, integrity and clarity.

Tenacity

We formulate, deliver and drive effective plans for our clients to meet their toughest sales ledger and operating challenges – and their critical improvement objectives.

Teamwork

We speak the same language as our clients, working as a true extension of their teams, recognising the sensitivities of their industry and business culture.

Staying on top of your cashflow is vital. So is working with a team you can trust.

That's why, when businesses depend on high-performance credit management solutions, they turn to Veritas.

Veritas Commercial Services exclusively employs its own team. We're both FCA Licensed and Chartered Institute of Credit Management qualified. We work with established and growing businesses and their financiers to deliver significant working capital improvement.

We have the most experienced people in the industry and engage with our clients as an integral part of their team.

Our clients tell us that our truth, tenacity and teamwork add tangible value to their business.

Sales Ledger Pulse Check

With the Veritas Sales Ledger Pulse Check, you'll get a clear, unbiased appraisal of your sales ledger position, benchmarked against industry standards. Our experienced credit manager will outline how we can help you optimise your sales ledger performance and highlight key actions and recommendations.

- A comprehensive review of the sales order process
- Identify areas for working capital improvement
- Create a comprehensive Implementation Roadmap

Process Improvement

At Veritas we don't believe that a single solution meets every client's needs. We understand that all of our clients are unique. With us as your credit management partners you have the freedom to focus on what really matters – driving your business forward.

Once we have identified potential areas of improvement in your processes and procedures, we will provide you with a range of solutions tailored individually to address your needs.

To deliver maximum value for our clients, our Process Improvement Implementation Framework incorporates the 4 cornerstones of working capital improvement:

- Policy
- People
- Process
- Performance

Virtual Credit Control

Veritas Virtual™ is a bespoke outsourced sales ledger and credit management service that puts you firmly in control.

You gain all the benefits of having a team of highly effective credit management specialists without any of the drawbacks. We work with you to understand your business closely and ensure a seamless transition, whilst maintaining your valuable customer relationships.

Complex debt. Difficult debt. Volume debt. We've seen it all. In every case, our clients have benefitted from our advanced negotiation skills and years of diligent experience in credit. We also have an extensive knowledge of both insolvency and litigation processes.

- We are genuine pioneers in our industry, changing the way that companies manage their credit control.
- With Veritas Virtual™, you're in the driving seat, by harnessing our resource and expertise as and when you need them.
- Maximising the working capital available to your business and providing total visibility through accurate and actionable reporting.
- Service delivered in your company name (white label) or ours, the choice is yours.
- Tap into the basic service when you need it or select from our additional services when required.
- Access to a bespoke cloud hosted credit control portal, Veritas Visibility™.

Exceptional Credit Management Performance

When it comes to credit management performance, every business demands certainty. That's why with Veritas you'll always know exactly where you stand.

No buzzwords. No jargon. No sugarcoating.

Truth is hard-wired into everything we say and do. From this strong foundation comes the reliability, consistency and control that is integral to each of the credit management services we structure for you.

Our people make the difference.

We work across a wide variety of sectors and international territories. We have a deep understanding of both business-to-business (B2B) and business-to-consumer (B2C) environments. And we bring a diverse wealth of knowledge, skills and experience.

Yet we combine as one cohesive team to create remarkable results, whilst enhancing reputation through respect.

In 2015, Veritas was amongst the first credit management specialists to obtain an FCA licence. We share a passion for excellence in everything we do and this ethos is supported by our values.

Our clients benefit from:

- Exceptional Sales Ledger Performance
- Rapid Cash Generation
- Sustainable Process Improvement
- Credit Risk Advice and Assistance
- Credit Control Staff Assessment & Recruitment
- Invoice Discounting Support
- Cost-effective Virtual Credit Control Solution

"I found their service professional and their project delivered the solutions the business needed in rapid time. Challenges and barriers to progress were quickly identified and the Veritas team were hands-on in all they delivered. I would have no reservation in recommending them to any corporate requiring an improvement in performance of their sales ledger. The value add to their work is both measurable and swift."

"During the course of our working relationship, Veritas have provided us with a quality service with great results on cash collection and, although not based in our offices, have worked well as part of my team. The team at Veritas have impressed us with their efficient and professional manner and have provided us with best in class collection services delivered by their helpful, knowledgeable, friendly collection staff. Our experience with Veritas confirms to us that we've partnered with true leaders in the commercial collection industry."
